

DEI Committee meeting minutes (10/4/2022)

Presence: Aidan Chaffin, Kung-Sik Chan, Margie Ebert, Shiao Liu, Sanvesh Srivastava

The Committee proposes the department to host a biweekly, hourly student-faculty mixer. It could be on a Wednesday or Thursday afternoon. Faculty members will take turn to host the meeting. The faculty host may give a short talk about new research topics, current events related to our disciplines, their hobbies and experiences, etc. Light snack and drink (coffee, tea) will be served. All students from the department are welcome to join the mixer.
