

**The University of Iowa**  
**College of Liberal Arts and Sciences**  
**Spring - 24'**

**Course Information**

*Course:* STAT:4561:0001 Statistics for Risk Modeling II

*Time:* 05:30 – 6:20 MWF

*Classroom:* B60 PBSB (In-Person)

*Department:* Dept. of Statistics and Actuarial Science - [www.stat.uiowa.edu](http://www.stat.uiowa.edu)

*Course Website:* Iowa Courses Online (ICON); access using your Hawk ID and password.

**Instructor and Grader Information**

*Name:* Prof. Nariankadu *Shyamalkumar*

*Office:* 233 SH

*Phone:* 319-335-1980

*Email:* shyamal-kumar@uiowa.edu

*Office Hours:* 2:30 – 3:30 MWF

*Grader:* David Roth

*Grader's Email:* david-roth@uiowa.edu

**Department Executive Officer**

*Name:* Prof. Kung-Sik Chan

*Office:* 241 SH

*Email:* kung-sik-chan@uiowa.edu

**Course Description and Objectives**

This course covers regression-based time series models, decision trees, principal components analysis, cluster analysis, and implementations of these analytic techniques on real data.

*Prerequisite:* STAT:4560 with a minimum grade of C+.

This course together with STAT:4560 is approved by the [SOA UEC](#) program for the SOA exam [Statistics for Risk Modeling \(SRM\)](#). The objectives of this course coincide, for the most part, with the latter three learning objectives of Exam SRM.

## **Textbooks, Software & Calculators**

Textbook I: *Regression Modeling with Actuarial and Financial Applications*, Edward W. Frees, 2010, New York: Cambridge. ISBN: 978-0521135962.

We will cover the following sections from the above text: Chapter 7 – Sections 1-6; Chapter 8 – Sections 1-4; Chapter 9 – Sections 1-5;

Textbook II: *An Introduction to Statistical Learning, with Applications in R*, James, Witten, Hastie, Tibshirani, 2021, New York: Springer.

We will cover the following sections from *An Introduction to Statistical Learning*: Chapter 8 – Sections 1-3 (excluding 8.2.4, 8.2.5, and 8.3.5) and Chapter 12 – Sections 1-2, 4-5 (excluding 12.5.2)

Calculator: You will be expected to have an SOA/CAS-approved calculator available during the exams. And calculators not approved by CAS/SOA will not be allowed.

## **Course Materials**

This course will use the MS OneNote class notebook, which can be accessed via ICON or directly. Apart from class notes, other documents would be posted on the course website on ICON.

## **Evaluation**

### **Class Attendance**

Attendance is not mandatory. It must be said, though, that absentees who are frequently absent cannot expect the instructor to help them make up the missed material during office hours or by email.

### **Assignments - 20%**

The assignments will mostly be given on Fridays and are expected to be turned in by the following Saturday at midnight. Assignments need to be scanned and uploaded on ICON so as to maintain a complete record of the grading, especially with this being a UEC course. Since I give an extra day of Saturday for submission, late assignments will **not** be accepted for any reason.

### **Midterm Exams- 20% each**

There will be two closed-book 50-minute in-class exams tentatively scheduled for 3/1/24 and 4/19/24. The exam will consist of SOA Exam-SRM-style questions but set as a written answer exam instead of as a multiple choice one.

## Final Exam - 40%

This is a closed-book 2-hour exam consisting of SOA Exam-SRM-style questions but set as a written answer exam instead of as a multiple choice one. It will be scheduled during the final exam week. The sample exam questions (with solutions) provided by the SOA [here](#) are good practice for the final.

## Missed Exams

Missed exams can be made up only for university-approved reasons, and unless the reason prohibits advanced notice, the student must provide the instructor with the required documentation with sufficient advance notice. In the case of illness, the student should inform the instructor by the end of the day of the exam unless the severity of the illness does not permit it.

## Scoring for SOA UEC Credit

To determine the UEC credit, the performance on this course's and STAT:4560's final and assignments will be taken into account. In each course, the final comprises 80% of its UEC score, and the assignment comprises the remaining 20%. A minimum UEC score of 85% is required in each of STAT:4560 and STAT:4561 to obtain the UEC credit for SOA Exam SRM.

## Grade Scale for U of Iowa Course Final Grade

Final grades will be assigned according to the following tentative scale:

As	85 – 100
Bs	70 – 84
Cs	55 – 69
Ds	40 – 54
Fs	0 – 39

The plus/minus grades will be used, and an A+ may be awarded to the top performer in the class who also contributes significantly to the in-class discussions. The exact scale will likely differ between undergraduate and graduate students, with the undergraduate scale resulting in an equal or higher letter grade for the same cumulative score.

## **Academic Honesty and Misconduct**

All students in CLAS courses are expected to abide by the [CLAS Code of Academic Honesty](#). Undergraduate academic misconduct must be reported by instructors to CLAS according to [these procedures](#). Graduate academic misconduct must be reported to the Graduate College according to Section F of the [Graduate College Manual](#).

## **Student Complaints**

Students with a complaint about a grade or a related matter should first discuss the situation with the instructor and/or the course supervisor (if applicable), and finally with the Director or Chair of the school, department, or program offering the course.

Undergraduate students should contact [CLAS Undergraduate Programs](#) for support when the matter is not resolved at the previous level. Graduate students should contact the CLAS [Associate Dean for Graduate Education and Outreach and Engagement](#) when additional support is needed.

## **Drop Deadline for this Course**

You may drop an individual course before the deadline; after this deadline you will need collegiate approval. You can look up the [drop deadline for this course](#) here. When you drop a course, a “W” will appear on your transcript. The mark of “W” is a neutral mark that does not affect your GPA. Directions for adding or dropping a course and other registration changes can be found on the [Registrar's website](#). Undergraduate students can find policies on dropping CLAS courses [here](#). Graduate students should adhere to the [academic deadlines](#) and policies set by the Graduate College.

## **Date and Time of the Final Exam**

The [final examination date and time](#) will be announced by the Registrar generally by the fifth week of classes and it will be announced on the course ICON site once it is known. **Do not plan your end of the semester travel plans until the final exam schedule is made public. It is your responsibility to know the date, time, and place of the final exam.** According to Registrar's final exam policy, students **have a maximum of two weeks after the announced final exam schedule** to request a change if an exam conflict exists or if a student has more than two exams in one day (see the [policy](#) here).

## **Attendance and Absences**

Students with UI-authorized activities must discuss their absences with the instructor as soon as possible. Religious obligations must be communicated within the first three weeks of classes.

### **Communication: UI Email**

Students are responsible for all official correspondences sent to their UI email address (uiowa.edu) and must use this address for any communication with instructors or staff in the UI community. For the privacy and the protection of student records, UI faculty and staff can only correspond with UI email addresses.

### **Mental Health Resources and Student Support**

Students are encouraged to be mindful of their mental health and seek help as a preventive measure or if feeling overwhelmed and/or struggling to meet course expectations. Students are encouraged to talk to their instructor for assistance with specific class-related concerns. For additional support and counseling, students are encouraged to contact University Counseling Service (UCS). Information about UCS, including resources and how to schedule an appointment, can be found at [counseling.uiowa.edu](http://counseling.uiowa.edu). Find out more about UI mental health services at [mentalhealth.uiowa.edu](http://mentalhealth.uiowa.edu).

[Student Care and Assistance](#) provides assistance to University of Iowa students who are experiencing a variety of crisis and emergency situations, including but not limited to medical issues, family emergencies, unexpected challenges, and sourcing basic needs such as food and shelter. More information on the resources related to basic needs can be found at [basicneeds.uiowa.edu/resources/](http://basicneeds.uiowa.edu/resources/). Students are encouraged to contact Student Care & Assistance in the Office of the Dean of Students (Room 135 IMU, [dos-assistance@uiowa.edu](mailto:dos-assistance@uiowa.edu), or 319-335-1162) for support and assistance with resources.

### **University Policies**

#### **Accommodations for Students with Disabilities**

The University is committed to providing an educational experience that is accessible to all. If a student has a diagnosed disability or other disabling condition that may impact the student's ability to complete the course requirements as stated in the syllabus, the student may seek accommodations through [Student Disability Services](#) (SDS). SDS is responsible for making Letters of Accommodation (LOA) available. **The student must provide an LOA to the instructor as early in the semester as possible, but requests not made at least two weeks prior to the scheduled activity for which an accommodation is sought may not be accommodated.** The LOA will specify what reasonable course accommodations the student is eligible for and those the instructor should provide. Additional information can be found on the [SDS website](#).

#### **Free Speech and Expression**

#### **Absences for Religious Holy Days**

#### **Classroom Expectations**

#### **Non-discrimination**

#### **Sexual Harassment/Misconduct and Supportive Measures**

#### **Sharing of Class Recordings (if appropriate)**
