

⁽¹⁾ This *Advanced Courses* requirement could alternatively be fulfilled by CS:5430 Machine Learning (spring semesters).
⁽²⁾ The 9 s.h. of *Advanced Electives* coursework must include at least 1 STAT and 1 CS course.
 Other options for *Advanced Electives*: CS:4470⁽³⁾ (alternating springs), CS:4700 (every other fall), CS:5630 (every other spring), STAT:4560 (fall semesters), STAT:5810, or other advanced courses approved by CS or STAT advisor.
⁽³⁾ CS:4440 is offered every-other-spring opposite CS:4470.
