HOMEWORK: In general (not always), one homework will be assigned each week (mostly on Fridays). Homework is not collected. Instead, homework answers are posted on ICON. Students take homework quizzes on Mondays instead of graded homework. Make up homework quizzes are not given under any circumstances. The lowest homework quiz score is dropped from the calculation of the course grade. No “crib sheet” is allowed unless stated otherwise.
**Quizzes:** There will be 2-3 announced quizzes. The quizzes will be closed book and closed notes, except that you may use a "crib sheet"-one page (8.5 x 11) of notes **written on one side only.**

**Exams:** There will be two midterm exams and one cumulative final exam. The examination will be closed book and closed notes. Calculator may be used for exams, and any necessary statistical tables will be provided. One 8.5”x11” formula sheets (both sides) may be used for midterm I, two 8.5”x11” formula sheets (both sides) may be used for midterm II, and three 8.5”x11” formula sheets (both sides) may be used for the final. If an exam is missed, a make-up exam will be permitted only if the circumstances of missing the exam satisfy university policies.

**Note:** Calculator may be used for homework quizzes, quizzes, and exams. Any necessary statistical tables will be provided.

I reserve the right to give bonus points at any time. The bonus points may be applied to any part of your grade.
