

Department of Statistics & Actuarial Science

The University of Iowa is home to over 31,452 students. In the fall of 2023, there were 22,130 undergraduate students enrolled. Currently our department has 289 undergraduate students who have declared actuarial science, actuarial science interest, data science and/or statistics.

*Due to the demanding nature of the Actuarial Science major and the difficulty of the professional examinations, the department maintains a selective admission program for Actuarial Science. **Students must apply and be admitted to the major.***

Students interested in becoming actuaries should **declare** an Interest in Actuarial Science as their major when they enter the university.

Students who do well in prerequisite math courses tend to be most successful in Actuarial Science.

Students who **declare an Actuarial Science Interest** major are advised by the Academic Advising Center located in the Pomerantz Center. Students who have declared an interest in the major, prior to admission, are included in all departmental activities.

We also have a graduate program in Actuarial Science and many students continue on and work towards a PhD in Statistics with the emphasis of Actuarial Science.

Requirements for a Bachelor's Degree

The College of Liberal Arts and Sciences awards Bachelor of Arts (BA), Bachelor of Science (BS), Bachelor of Fine Arts (BFA), and Bachelor of Music (BM) degrees.

To earn a Bachelor's Degree, you must:

- Complete a minimum of **120** semester hours of credit towards graduation
- Satisfy the UI and CLAS residence requirement
- Complete the requirements of the General Education Program
- Complete a major
- Meet the College's academic standards

NOTE: Effective with spring 2019 registration for summer and fall 2019, all CLAS students must have a major declared by the time the student has earned 60 semester hours. In other words, a student who has earned 60 s.h. but does not have a major declared will not be able to register for summer or fall 2019.

Actuarial Science Faculty

Dr. Elias Shiu

Professor and Collegiate Fellow
Office: 362 Schaeffer Hall
PhD, California Institute of
Technology, 1975
Principal Financial Group Professor
of Actuarial Science
Research Interests:
Asset/Liability Management,
Mathematical Finance, Risk Theory
<http://www.stat.uiowa.edu/~eshiu/>
elias-shiu@uiowa.edu
Phone: (319) 335-2580

Dr. N.D. Shyamalkumar

Associate Professor
Office: 208 Schaeffer Hall
PhD, Purdue University, 1996
shyamal-kumar@uiowa.edu
Research Interests:
Actuarial Science
<http://www.stat.uiowa.edu/~nshyamal/>
Phone: (319) 335-1980

Dr. Zhiwei (Josh) Tong

Assistant Professor
Office: 374 Schaeffer Hall
PhD School of Risk and Actuarial
Studies at UNSW Sydney, August
2021
Research Interests: credit portfolio
losses, financial networks and
systemic risk, and insurance under
information asymmetry
Zhiwei-tong@uiowa.edu
Phone: (319) 467-0160

Distinguished History – Promising Future

The University of Iowa has the second oldest actuarial science program in the U.S.A. It began with the course “The Mathematical Theory of Insurance,” taught by Dr. Westfall, in academic year 1902/1903. Since 1913, actuarial science courses have been taught every year at UI. Five past presidents of the Society of Actuaries and two past presidents of the Casualty Actuarial Society were UI students.

In 2016 Remin University of China sponsored the *Gerber-Shiu Workshop in honor of Dr. Shiu*.

Connecticut

Great to have former alumni visit with our students!

We have amazing student leadership on campus.

14

2023 Actuarial Science Club Board

If you're a student (undergraduate or graduate student) who is majoring in Actuarial Science and/or Actuarial Science Interest, you are automatically a member of the Actuarial Science Club! The club has a ICON (Iowa Courses Online) site and a Facebook page: (<https://www.facebook.com/groups/163654807082416/>)

and students are added to our mailing list (that the department sends out) that students share information.

Annual Job Fair!

15

Forty companies to come to our 2023 Actuarial Science, Risk Management & Analytics Job Fair in October 2023. Our students are encouraged to attend this fair to learn more about the opportunities these fine companies offer. In the days and weeks that follow many will have follow-up interviews seeking internship and job opportunities. We are so appreciative to the wonderful support and organization by our Pomerantz Career Center Team to make this such as successful event!

This is just a snapshot of our graduates!

Actuarial Science Graduates

Students	Majors, Minors and Certificate Programs	Initial Placement
Cody Borst	Actuarial Science and Mathematics	Transamerica, Cedar Rapids, IA
Erich Byers	Actuarial Science and Mathematics	Transamerica, Cedar Rapids, IA
Clarisse Chia	Actuarial Science and Mathematics	Pursuing MS at the University of Iowa
Michelle Croghan	Actuarial Science, Mathematics, Statistics, Business Administration (Minor)	Athene, West Des Moines, IA
Justin Dickinson	Ancient Civilization (Minor), (H) Actuarial Science, Mathematics and Statistics	Ernst & Young, Chicago, IL
Jiashuo Du	Actuarial Science and Mathematics (Minor)	Graduate Program in Finance at UI, Iowa City, IA
Nathan Halko	Actuarial Science and Mathematics	Global Atlantic Financial Group, Des Moines, IA
Leah Klejch	Actuarial Science, Mathematics, and Business Administration (Minor)	Willis, Towers and Watson, Chicago, IL
Jason McDowell	Actuarial Science and Computer Science	Berkshire Hathaway Homestate Companies, Omaha, NE
Max Peterson	(H) *** Actuarial Science, *** Mathematics and Risk Management and Insurance (Certificate)	Allstate Insurance, Chicago, IL
Meng Qi	Actuarial Science, Mathematics and Statistics	Fidelity Investments, Chicago, IL
Jonathan Reinhart	(H) Actuarial Science, Computer Science and Mathematics (Minor)	Blue Cross & Blue Shield, Chicago, IL
Jacob Schmitt	(H) Actuarial Science, and Mathematics	Principal, Des Moines, IA
Yaodong Shen	Actuarial Science and Mathematics	Graduate Program in Applied Business Analytics, Boston University
Andrew Sherer	Actuarial Science and Certificate in Risk Management and Insurance	Transamerica, Cedar Rapids, IA
Connor Vandersnick	Actuarial Science and Mathematics (Minor)	Global Atlantic, New York City

This is just a snapshot of our internships!

Sam Werner	Cigna	Denver, CO

Scholarships & Awards

18

The prestigious scholarship that many of our undergraduate students receive is called the Charles E. and Eleanore G. Wilson Scholarship.

Charles Wilson (BA, 1941) attended The University of Iowa during the Depression only because of a scholarship. He was an actuary for 45 years. He established this fund because he wanted to give future students the same opportunity he had and to help the actuarial profession.

Over \$350,000 has been awarded to over 50 deserving students based upon academic merit for 2023-24.

The department has additional scholarship and awards: Lloyd Knowler Scholarship, Principal Financial Group Foundation Scholarship, Harold W. Schloss Memorial Scholarship, D. W. Simpson & Company Scholarship, Peterson, Patterson and the Transamerica Scholarship.

In addition, students may receive a Taylor Award in Academic Performance. We also often nominate students for the Society of Actuaries Diversity, Huntington and Actuary of Tomorrow awards.
