Outline

The first semester of this two-semester sequence will cover roughly Chapters 1–5 of Casella and Berger. The second semester corresponds roughly to chapters 6–12.

Reading and Homework

Reading assignments for each day will be placed on the web a few days in advance. You should read the assigned material before coming to class. Typically two to three problems will be assigned each class. The problems are usually due at the beginning of class the Monday after they are assigned. The assignments and due dates will be posted on the Web.

Exams and Grading

There will be two midterm exams, tentatively scheduled for the class periods on Wednesday, September 28 and Wednesday, November 2. The final exam is scheduled for 7:30AM–9:30AM on Thursday, December 15. The final grade will be determined 30% by the homework, 40% by the midterm exams, and 30% by the final exam. The lowest 25% of homework scores will be dropped before computing the final homework grade.

Late homework and missed exams cannot be made up, except as required by University policies (illness, mandatory religious obligations, and other unavoidable University obligations—University Operations Manual, 50.021).

EMail and World Wide Web

Announcements on changes or clarifications of assignments or other matters may be sent by email or posted on the class web page. You should check your email and the class home page regularly.
College of Liberal Arts and Sciences: Policies and Procedures

Administrative Home of the Course

The College of Liberal Arts and Sciences is the administrative home of this course and governs matters such as the add/drop deadlines, the second-grade-only option, and other related issues. Different colleges may have different policies. Questions may be addressed to 120 Schaeffer Hall, or see the CLAS Student Academic Handbook: [http://www.clas.uiowa.edu/students/handbook/](http://www.clas.uiowa.edu/students/handbook/).

Electronic Communication

University policy specifies that students are responsible for all official correspondences sent to their University of Iowa e-mail address (@uiowa.edu). Faculty and students should use this account for correspondences. ([Operations Manual](http://www.clas.uiowa.edu/students/handbook/), III.15.2. Scroll down to k.11.)

Accommodations for Disabilities

A student seeking academic accommodations should first register with Student Disability Services and then meet privately with the course instructor to make particular arrangements. See [www.uiowa.edu/~sds/](http://www.uiowa.edu/~sds/) for more information.

Academic Honesty

The College of Liberal Arts and Sciences expects all students to do their own work, as stated in the [CLAS Code of Academic Honesty](http://www.clas.uiowa.edu/students/handbook/). Instructors fail any assignment that shows evidence of plagiarism or other forms of cheating, also reporting the student’s name to the College. A student reported to the College for cheating is placed on disciplinary probation; a student reported twice is suspended or expelled.

CLAS Final Examination Policies

Final exams may be offered only during finals week. No exams of any kind are allowed during the last week of classes. Students should not ask their instructor to reschedule a final exam since the College does not permit rescheduling of a final exam once the semester has begun. Questions should be addressed to the Associate Dean for Undergraduate Programs and Curriculum.

Making a Suggestion or a Complaint

Students with a suggestion or complaint should first visit the instructor, then the course supervisor, and then the departmental DEO. Complaints must be made within six months of the incident. See the [CLAS Student Academic Handbook](http://www.clas.uiowa.edu/students/handbook/).

Understanding Sexual Harassment

Sexual harassment subverts the mission of the University and threatens the well-being of students, faculty, and staff. All members of the UI community have a responsibility to uphold this mission and to contribute to a safe environment that enhances learning. Incidents of sexual harassment should be reported immediately. See the UI [Comprehensive Guide on Sexual Harassment](http://www.clas.uiowa.edu/students/handbook/) for assistance, definitions, and the full University policy.

Reacting Safely to Severe Weather

In severe weather, class members should seek appropriate shelter immediately, leaving the classroom if necessary. The class will continue if possible when the event is over. For more information on Hawk Alert and the siren warning system, visit the Public Safety [web site](http://www.clas.uiowa.edu/students/handbook/).
