

22S:204

Instructor: Prof. RUSSO 205 SH 335-0817 rrusso@stat.uiowa.edu

Office Hours: by appointment

the best way to reach me

Text: Probability Theory and Examples 3rd ed., Durrett (same as S:203)

Topics: Chapters 1 - 4 & selected topics

Exams & HW problems: There will be a midterm take-home & a final exam take-home. In addition, there will be several HW problems assigned throughout the semester.

Student presentations of the material: If possible, I want to give you the chance to present material to the class. You will receive at least one week notice.

INFORMATION FOR STUDENTS WITH DISABILITIES I would like to hear from anyone who has a disability which may require seating or testing accommodations, or accommodations for other class requirements, so that appropriate arrangements may be made. Please contact me during my office hours.

POLICIES Course policies are governed by the College of Liberal Arts and Sciences.
